"TODAY IS AN EXCITING DAY AS WE ANNOUNCE THE LATEST FACILITY PROJECTS OF OUR BUILDING CHAMPIONS INITIATIVE. OUR DONORS HAVE STEPPED UP IN A BIG WAY TO MAKE THIS A REALITY, AND THE IMPACT THAT THESE PROJECTS WILL HAVE ON ALL OF OUR STUDENT-ATHLETES IS IMMEASURABLE. ALL THREE OF THESE FACILITIES WILL PROVIDE AN EDGE IN RECRUITING AND PLAYER DEVELOPMENT AND CONTINUE TO SHOW THAT WE ARE INVESTED IN MAINTAINING OUR POSITION AS AN ELITE PROGRAM AT THE HIGHEST LEVEL OF COLLEGE ATHLETICS."

Gene Taylor, K-State Director of Athletics

THE HOME OF K-STATE VOLLEYBALL

K-State Athletics is proud to announce the next phase of its Building Champions initiative as the department has begun construction on a new volleyball arena and Olympic performance center to further enhance the overall experience for both student-athletes, coaches and fans.

Construction of these new facilities began in early 2022, with the volleyball arena and Olympic performance center, which was completed in time for the upcoming 2023 season. To date, more than 138 total gifts have been made, two of which were eight figure commitments and an astounding 18 seven figure commitments, as K-State Athletics has raised $96.5 million of the new approximate overall $126.5 million cost to begin construction on these three additional facilities, which includes the newly-opened $50 million Shamrock Zone.
"Today is an exciting day as we announce the latest facility projects of our Building Champions initiative. Our donors have stepped up in a big way to make this a reality, and the impact that these projects will have on all of our student-athletes is immeasurable. All three of these facilities will provide an edge in recruiting and player development and continue to show that we are invested in maintaining our position as an elite program at the highest level of college athletics."

"Thanks to the continued generosity of our outstanding supporters, K-State has athletic facilities that rival the best in the nation," said Richard Myers, K-State president. "The construction of a new volleyball arena, indoor football practice facility and Olympic training center brings us to world-class status for all sports. We appreciate the hard work put in by our athletic department to make these facilities a reality."

The volleyball arena dramatically enhances the student-athlete and fan experience at K-State volleyball matches. The arena will include a seating capacity of approximately 3,500, two practice courts with retractable seating, two video boards, team meeting rooms, locker room, team theater and coaching offices.

"It's important for our student-athletes and fans to see the commitment to volleyball," former head volleyball coach Suzie Fritz said. "What this facility does more than anything is show a strong commitment from K-State Athletics to our sport, that it's important and that our athletes, who work hard every day, deserve to play in great facilities. And we plan to make it a very intimate, loud arena that becomes a real home-court advantage."

Attached to the new volleyball arena will be the new Olympic performance center, which will improve the student-athlete experience, training and strength and conditioning opportunities of multiple Wildcat teams. The facility will feature a 14,000 square foot strength and conditioning center, 8,000 square foot second level multi-use turf area, plyometric ramp, sports medicine rehab space, hydrotherapy recovery area, nutrition and refueling station, office space for athletic training and strength staffs along with a state-of-the-art Mental Health and Wellness space which will house all of the necessary tools for overall wellness and performance enhancement.

On November 27, 2021, K-State Athletics announced the new volleyball facility was named Morgan Family Arena, in recognition of Ward and Brenda Morgan's philanthropic gift.

Jason Mansfield, who has been a part of seven NCAA Final Fours and one national championship during stints at Stanford and Washington, enters his third season at the helm of the Kansas State volleyball program after being selected as the ninth head coach on Dec. 27, 2022.

In two seasons, Mansfield boasts a career mark of 26-28 (.481) and owns an 18-18 (.500) record in Big 12 action, including six wins over Top 25 opponents. Most notably, he led K-State to a historical sweep over No. 3 and reigning national champion Texas in 2023.

From an individual standpoint, Mansfield has helped guide three Wildcats to four AVCA All-Region honors and four players to five All-Big 12 Conference accolades, including four-time All-Big 12 selection Aliyah Carter. In 2023, the outside hitter earned AVCA All-American honorable mention recognition – the first All-American for Mansfield as a head coach.

Under Mansfield, the Wildcats have enjoyed great success in the classroom in addition to on the court. K-State has garnered 12 Big 12 All-Academic honors, while the Wildcats have accumulated six Academic All-District distinctions.

The Wildcats have also earned the prestigious AVCA Academic Team Award (3.3 team GPA or higher) following the 2023 season. Libero Mackenzie Morris notched the Big 12 Volleyball Scholar-Athlete of the Year in 2022-23, becoming the first athlete in league history to earn the achievement twice.

In Mansfield's second season at the helm, the 2024 K-State volleyball team finished with a 10-17 overall record and went 8-10 in Big 12 play, placing eighth in the conference standings. The Wildcats' defense stood out, leading the Big 12 and ranking 29th nationally with 16.75 digs per set, amassing a total of 1,776 digs – the third-most in the league.

Individually, Aliyah Carter earned First Team All-Big 12 honors and was named Big 12 Offensive Player of the Week three times, setting a school record for the most career offensive weekly awards. Ella Larkin also garnered recognition with a spot on the All-Big 12 Second Team.

In the inaugural season of the Mansfield era, K-State achieved a record-breaking five Top 25 wins: No. 18 Baylor, No. 25 Iowa State, No. 8 BYU (twice), and No. 3 Texas. The Wildcats posted a 16-11 overall record with a 10-8 mark in Big 12 play, just missing out on a trip to the NCAA Tournament.

K-State's historic sweep over eventual 2023 NCAA National Champion Texas snapped a 39-match losing streak against the Longhorns and handed them their only Big 12 Conference loss of the season.

Following the season, middle blocker Sydney Bolding, outside Aliyah Carter and libero Mackenzie Morris each received AVCA All-Midwest Region recognition, marking just the fourth time K-State had three all-region honors in the same season and second with all first team accolades.

Bolding became the program's first-ever draft pick, as she was selected 11th overall by the Grand Rapids Rise in the inaugural Pro Volleyball Federation draft. The Pickens, S.C., product was the fourth selection of the second round and was one of eight players from the Big 12 selected in the draft. She finished the regular season as the Conference leader in total blocks (134) and was second with a block average of 1.40, ranking 35th and 12th nationally in both categories.

Carter, who became the first player in school history to earn unanimous First Team All-Big 12 honors three times, recorded her 1,000th career kill to become the 19th Wildcat to achieve the milestone. She wrapped up the 2023 season as the team leader in kills (390), kills per set (4.06), points (438), and points per set (4.56) with a career best 26 aces. Carter received AVCA All-American Honorable Mention honors, becoming the 12th Wildcat to earn All-American status and first since 2014.

Morris became the first player in league history to be voted as the Big 12 Volleyball Scholar Athlete of the Year twice and in consecutive seasons, boasting a 4.0 grade point average throughout her career. During the regular season, she averaged 4.82 digs per set to lead all Power 5 programs, while she also led the Big 12 in total digs (468).

Mansfield's success came as no surprise as he was one of the most experienced and accomplished assistant coaches in the country, serving on staff at powerhouse programs Washington and Stanford. Prior to K-State, Mansfield mentored a total of 25 individual players that earned 65 All-America honors during his 20 years of coaching and has coached five athletes that have gone on to compete in the Olympic Games for Team USA.

AT WASHINGTON (2018-22)
In his five seasons at Washington, Mansfield helped the Huskies advance to the Sweet 16 of the NCAA Tournament four times, the Elite Eight in 2019, and then to the Final Four in the spring of 2021. His work with the outside hitters netted seven All-America honors for three Huskies: Kara Bajema,

"THE SEARCH FOR OUR NEW HEAD COACH DREW SIGNIFICANT INTEREST FROM ALL OVER THE COUNTRY, AND WE FEEL JASON IS THE PERFECT FIT TO LEAD US. HIS CHAMPIONSHIP PEDIGREE, EMPHASIS ON TEAM CULTURE AND BUILDING RELATIONSHIPS - BOTH INSIDE A PROGRAM AND ON THE RECRUITING CIRCUIT - ARE WHAT SET HIM APART FROM OTHER CANDIDATES."

GENE TAYLOR, K-STATE DIRECTOR OF ATHLETICS

Samantha Drechsel, and Claire Hoffman, with Bajema and Drechsel each garnering first-team status. Bajema broke the UW single season kills record in 2019 and ranked fourth in the NCAA with 597 and has since gone on to a stellar pro career overseas and a spot on the U.S. Senior National Team. Hoffman landed on the second team in 2020 and 2022 and was a third-team selection in 2021. With her third All-America honor, Hoffman joined an elite group of Husky outside hitters with three or more All-America honors.

AT ILLINOIS (2016-18)
Mansfield coached three more All-Americans in two seasons and another future U.S. Olympian in Jordyn Poulter. The 20 All-America players he coached at Stanford and Illinois combined for 46 total AVCA honors. In his second and final season at Illinois, the Fighting Illini advanced to the NCAA Round of 16, upsetting Washington in the second round.

AT STANFORD (2004-15)
As an assistant coach at Stanford working with AVCA Hall of Fame Head Coach John Dunning, Mansfield coached 17 different All-Americans, four National Players of the Year, and four future Olympians (Logan Tom, Ogonna Nnamani, Foluke Akinradewo, Alix Klineman). The 2004 squad won the national championship, while the Cardinal advanced to the Final Four six times in 14 total NCAA Tournament appearances with Mansfield on staff.

VISION VOLLEYBALL CLUB (2000-16)
Mansfield also compiled a stellar run as a club coach with the Vision Volleyball Club with his teams earning seven Junior Olympic medals, 26 Junior Olympic All-Tournament selections, and the club producing 19 Volleyball Magazine "Fab 50" recruits. His first volleyball coaching experience came at Foothill Community College from 1997-99.

• Department Chair of Food Science and Technology
NC STATE (2012-22)
• Dean of the College of Agriculture and Life Sciences
K-STATE (2022-PRESENT)
• University President

Dr. Richard H. Linton is the 15th president of Kansas State University, serving in the role since February 2022. He earned his bachelor's degree in biology (1988), master's degree in food science (1991) and Ph.D. in food science (1994), all from Virginia Tech University. Linton participated in the Food Systems Leadership Institute from 2009 to 2011 and completed the Harvard Graduate School's Institutional Educational Management Program in 2018.

At Kansas State University, Linton has led the creation and implementation of Next-Gen K-State, a strategic plan that will guide the university through 2030 and beyond. This initiative has resulted in significant advancements in student recruitment and success, a remarkable increase in research funding, enhanced statewide engagement and economic development, improvements in research and teaching facilities, record-breaking fundraising and competitive achievements in athletics. This new university strategy has increased undergraduate and graduate student numbers to over 20,000, enhanced competitive research by more than 20%, brought in nearly $700 million through philanthropy, and led to over $150 million in state and federal support. Key universitywide initiatives created by the plan include a statewide economic growth plan called K-State 105, and interdisciplinary efforts, including in biomanufacturing and biosciences, digital agriculture and advanced analytics, and water.

Before joining Kansas State University, Linton served as dean of the College of Agriculture and Life Sciences at North Carolina State University (2012-2022), department chair of food science and technology at The Ohio State University (2011-2012) and a faculty member in the Department of Food Science at Purdue University (1994-2011). At Purdue, Linton was the founding director of the Center for Food Safety Engineering and the associate director of agricultural research programs.

As dean at NC State, Linton led a college of over 300 faculty, 3,000 undergraduate students and 1,000 graduate students. Under his direction, the college developed a strategic plan focused on enhancing people, programs and partnerships. Collaboration with industry and government were critical to the mission of the college, and Linton's dedication was demonstrated through the NC Plant Sciences Initiative and the NC Food Processing and Manufacturing Initiative, both aimed at job creation and addressing global agricultural challenges. Under his leadership, competitive research for the college reached $100 million annually, and the college raised $482 million during the NC State Capital Campaign.

Linton has held several key leadership roles, including membership on the Food and Drug Administration's Science Advisory Board and serving as chair for the Binational (Israel/U.S.) Agricultural Research and Development Fund, a position he was appointed to by the U.S. secretary of agriculture in 2018. He also previously chaired the Association of Public and Land Grant Universities Healthy Food Systems, Healthy People Steering Committee and the NC Governor's Task Force on Food Manufacturing.

President Linton and his wife, Sally, an ADHD/executive function life coach, have two children: a daughter, Lily, and a son, Chris.

The last three years could go down as one of the most successful periods in K-State Athletics history as Gene Taylor's program has taken the college athletics world by storm. Team championships, individual titles, postseason runs, record crowds, continued academic success and new facility enhancements have all been the cornerstone of recent Wildcat success.

This past year, Chris Klieman's football team won nine games and were Rate Bowl champions, the women's basketball team garnered another Top 10 ranking and trip to the Sweet 16 under Jeff Mittie, while Pete Hughes and the baseball squad advanced to its second straight NCAA Regional. On the golf course, Stew Burke's women's squad advanced to the NCAA Championships for the first time in school history and were led by All-American Carla Bernat, who also won the prestigious Augusta National Women's Amateur title, and Big 12 individual champion Sophie Bert. Two new coaches began leading their respective programs in 2024-25 as Travis Geopfert took over the track and field/cross country program and Colleen Corbin in women's soccer.

The 2023-24 campaign was highlighted by a Super Regional berth for baseball, just the second time in program history that the Cats have won a regional and advanced to the supers, a Pop Tarts Bowl win for the football team and a women's basketball season that saw the Wildcats rise to as high as No. 3 in the national rankings before hosting the 2024 NCAA First and Second rounds in Manhattan. Jason Mansfield's first season leading the volleyball program included record crowds in the new Morgan Family Arena and numerous wins over Top 10 opponents.

That all came on the heels of Klieman's football team winning the 2022 Big 12 Championship and playing in the Allstate Sugar Bowl, and Big 12 Coach of the Year Jerome Tang and his men's basketball squad making a remarkable run to the Elite Eight following a preseason poll that picked the Wildcats to finish last in the league. Both coaches were hired at K-State by Taylor, who was also named the 2022-23 Cushman & Wakefield FBS AD of the Year following a record year.

A former member of the College Football Playoff Selection Committee and current member of the LEAD1 Board of Directors, Taylor was named the Director of Athletics at K-State in April 2017. During his tenure K-State has seen the football program qualify for six bowls and win the 2022 Big 12 Championship, the men's basketball team win a Big 12 Championship, earn an Elite 8 appearance and advance to two NCAA tournaments, the baseball team win the Fayetteville Regional and the women's track and field team win back-to-back Big 12 Outdoor championships.

Additionally, Taylor and his staff have fundraised and implemented a department-wide facility master plan that benefits all Wildcat teams including the newly completed Indoor Track and Field Complex, the Morgan Family Arena for volleyball, Morris Family Olympic Training Center and the Shamrock Practice Facility for football.

Taylor, who was named the eighth-best Athletic Director among FBS programs by Stadium in 2020, has implemented a strategic plan for the department which places an emphasis on the student-athlete experience, while his leadership in navigating the COVID-19 crisis, in addition to enhancing the department's already-strong diversity and inclusion program, has been well documented.

With the support of fans and donors, K-State Athletics has also continued to be financially self-sufficient and does not receive support from the university. In FY 2019, a year earlier than anticipated, the program ended the practice of receiving student privilege fees in support of the program. This move makes Taylor's program one of eight across the country to operate with no direct or indirect university and student funding or state support.

K-State Nation continues to support the athletics program in unprecedented fashion as overall pledges and cash gifts to the department during the 2024 fiscal year totaled $36.9 million, of which $26.1 million was designated for the Ahearn Fund annual giving program. Included in the $26.1 million in annual giving was a department record $1.1 million raised during the Powercat Auction.

Hiring and retaining top coaches is also a critical function of the program. Taylor hired Klieman to replace hall of fame coach Bill Snyder after winning four national titles in five seasons at North Dakota State, and in year four led the Wildcats to a Big 12 Championship. Taylor also hired Tang to lead the men's basketball program, Jordan Smith to take over the tennis program and Hughes in baseball, who took the Wildcats to just their second Super Regional in school history. Mansfield had a banner first year on the volleyball court as record crowds saw his squad knock off three Top 10 opponents at home. Burke, in his first season in 2023-24, catapulted the women's golf program up the national ranks and narrowly missed on qualifying as a team for the NCAA Tournament in year one.

Graduating student-athletes remains the top priority for the department and academic success has continued under Taylor's guidance as K-State continues to rank among the top schools in the Big 12 in APR and graduation success rate.

Taylor is a 1980 business management graduate of Arizona State, and he received his master's degree in sports administration in 1985 from St. Thomas University in Florida. He worked in the ticket office at Southern Methodist University in 1985-86 before joining the Naval Academy. His tenure at Navy included serving as the commissioner of the five-team Collegiate Sprint Football League that includes Army, Navy, Penn, Princeton and Cornell. He served 13 years as Athletics Director at North Dakota State before being named Deputy AD at Iowa in 2014.

Taylor and his wife, Cathy, have a daughter, Casey, and a son, Jared.
